

2010 - BSFA SEMINAR #123

Site Safety

NEW VENUE

10 February 2010
Hellenic Club of Canberra
5:30pm for 6pm start
Matilda Street WODEN ACT 2606
All attendees are to sign in at reception

CHAIRPERSON

Graham Coyle - Director - Federal Construction Management

An experienced, qualified OHS Lead auditor. Recently Graham was selected to perform OHS auditing services for the Australian Government Building and Construction OHS Accreditation Scheme.

SPEAKERS

John Morgan - Structural Engineer

Will speak on site safety especially the detailed engineering investigations he has performed for ACT WorkCover.

Helen Lingard - Professor - School of Property, Construction and Project Management - RMIT University

Will talk to Site Safety and how Governments in Australia and the US have funded her research programs into OHS in the Construction Industry, outlining the importance, objectives and her approach to performing this work.

Helen Marshall - Federal Safety Commissioner - Office of the Federal Safety Commissioner - Australian Government Department of Education, Employment and Workplace Relations

Has kindly offered to provide a speaker to discuss Federal Safety Commissions program objectives, progress/success of program to date, important developments and criteria promoted through the Design in Construction Program.
